

### GOVERNMENT TO GIVE \$600,000 FOR ROADS

Assured of Federal Aid in Building Highways County Commissioners Will Let Contracts Today.

### BIDS OPENED YESTERDAY

Although Not Certain Expect the Joseph T. Laney Company to Be Lowest Bidder.

With the assurance from the federal representatives of the United States highway service that Tulsa county will obtain federal aid to the extent of approximately \$600,000, the bids for the construction of 15 additional miles of hard surfaced roads, which were received by the commissioners Monday afternoon, will be awarded at 2 o'clock Tuesday afternoon. While no information as to the successful bidder was made public, since it will require several hours work for the tabulation of the bids, the Joseph T. Laney company is probably the lowest bidder on all sections of the roads for which contracts will be awarded Tuesday.

The highways for which bids were received Monday are the Tulsa-Owasso, the Rose-Dawson, and the five mile section extending west from Broken Arrow to the Tulsa-Bixby Road.

The United Highway service was represented by T. W. Allen, an inspector from Washington and J. D. Fountain of the southwest district of the highway service. After receiving information as to the plans under which the county is building the new system of hard surfaced highways, Fountain indicated to the commissioners that Tulsa county should have no difficulty in obtaining \$600,000 from the federal road fund. The county engineers office was instructed to comply with the governmental provisions in the matter of certifying the accredited bids and the specifications under which the roads are to be built, along with the furnishing plans and profiles of the roads, and upon sending this information to the federal highway service, no doubt was expressed as to the probability that the plans would be approved and the additional funds allowed.

The contract for the construction of the concrete bridge over Launch creek south of Owasso, was awarded to the Froese-Brico company on a contract price of \$14,988. The contract for excavation of drainage ditches on Tulsa-Jenks road was let to T. C. Laniger on a bid of 20 cents a cubic yard. A contract was also awarded the Froese-Brico construction company for the construction of two small concrete culverts on the Tulsa-Jenks road.

### Get Tag on Pet Dog If You Want To Save Its Life

Three road dogs shot down by the police in the streets of Tulsa the last week is the cause of a general crusade by the official dog catcher, against stray and vicious dogs running large.

The following notice by the mayor of Tulsa to all owners of dogs in the city goes into effect immediately:

"You are each hereby notified that the ordinance provides that the tag showing that the license has been paid on your dog shall be worn by the dog. Any failure to do so is a violation of the ordinance.  
"You are hereby further notified that within three days from this date all dogs not wearing tags as provided will be taken up and impounded for a reasonable time, and then disposed of as provided by the ordinance, unless claimed by the owner and the impounding fee paid.

### DRUMRIGHT BANK SUES J. A. M'KEEVER ON NOTE

Petition asking foreclosure of a mortgage on Tulsa city property, was filed in district court Monday by the Drumright State bank of Drumright, against J. A. M'Keever and Lucile E. M'Keever, the plaintiffs. A promissory note made by the defendants August 1, 1918, in the sum of \$4,500 has not been paid. The bank states in its petition that the property described on lots 2 and 3, block 10, Irving addition to the city of Tulsa were made security for the payment of the note which became due November 1, 1918. The time of payment, according to the plaintiff, was extended in February 1, 1919, and is still unpaid.

**Nebraska in Oil Fields**  
HENRYETTA, May 19—A party of Nebraska capitalists are in Henryetta looking into the oil situation in this district, in which they are interested financially. The personnel includes former Governor Morrishouse, Messrs. Cochran, Moore, Wheeler and Weaver, all of Falls City, Neb. Most of these men own stock in Henryetta industrial enterprises, and one or more of the party are stockholders in the H. & M. Petroleum company of Tulsa, which company has oil holdings in this district.

## Our "Third Anniversary" Sale

Has Already Proved a Merchandising Triumph, With Values Extraordinary

The first day of our Anniversary Sale proved a record-breaker—a starter of what will doubtless prove, from a selling point, an overwhelming success. Thousands of customers visited all departments, many expressing considerable surprise at the unusual values offered—unusual even for Halliburton-Abbott's—but all seem to have bought generously. Before the day came to a close we felt amply repaid for the months of special effort in preparation for this event, the greatest we have ever attempted.

Many new items will be added from day to day at specially reduced prices for the demander of this Anniversary week, or for as long as stocks last. As we said in our advertisements in Sunday's papers, which you should turn to and read again, while quantities are large, and in some instances enormous, they are not unlimited. Immediate buying assures you of supplying your needs at very considerable savings and from complete selections. This Anniversary Sale will be the most important event this week for women.
